

# Collection: Tozzetto

“The deeper the blue becomes,  
the more strongly it calls man towards the infinite,  
awakening in him a desire for the pure and,  
finally, for the supernatural...  
and becomes white”

Vasilij Vasil'evič Kandinskij

“Tozzetto” is the name that traditionally our “faenzere” gave to a square tile of glazed ceramic, often intertwined for decorative purposes with different tiles. Tastardi Tiles, with his relief texture technique, proposes a selection of 10X10 cm tiles that borrows heavily from our land’s iconographic characteristic, with a contemporary twist, thanks to the monochrome colour range “Blu Tastardi”, in precious coloured crystalline “Craquelé”
